SRT history starts 25 years ago with Pasquale, il cinghiale <3, our javelina bestseller since the beginning until now.

To celebrate our anniversary we introduce a new powerfull generation of wildboars, the Twin Pigs.

A smart twosome of piglets to enrich your parcours and tournament, an eccellent target to create most natural shooting position with all our boars. A perfect target to sell in all professional archery shops.

New boars to continue the success of SRT Target Brand in the world of archery and outdoor sports.
